

Chief Financial Officer

Saudi Arabia

Our client is a prominent, highly successful and rapidly expanding international market leader in its field, supplying state of the art telecommunications solutions to a wide range of blue chip corporate and governmental customers throughout the Middle East. The company has an enviable reputation for customer service, product quality, support and innovation. This high impact appointment will be central to its succession and international development strategies.

Reporting to and working closely with the Managing Director as a key member of a compact and highly motivated senior management team, you will have a challenging and wide ranging remit with overall responsibility for all aspects of Finance, Treasury and IT across three locations. This will include dealing with a wide range of accounting,

operational and management issues, as well as contributing proactively and commercially to the continued success of the business in this highly visible role.

A driven, ambitious and adaptable qualified accountant, you will have a proven financial management track record, which should ideally include working in a senior capacity within a large or medium sized company environment. Strong on systems development and with working knowledge of ERP systems, you will have first class interpersonal, communication and leadership skills, being comfortable managing and motivating colleagues within a truly multi-cultural and results oriented environment.

This represents an outstanding opportunity to join a dynamic international business at an exciting time in its development and play a key role in shaping its future success.
