

BUSINESS ADVISORY PARTNER

Grant Thornton

Grant Thornton is the world's leading firm of business advisers to owner managed businesses and one of the top 7 accounting practices in the UK. As part of the ongoing strategic development of its Edinburgh office, the firm now wishes to appoint a high calibre Partner, to assume overall responsibility for the provision of audit and business advisory services to an extensive list of small and medium sized clients.

As well as the technical and managerial aspects of the role such as planning, organising and controlling the workload of the audit department, business development and further enhancing the profile and reputation of the Edinburgh practice, will feature as key components.

You will probably already be operating at Partner level, or perhaps as a Senior Manager in the 'Big 6',

with the drive and ambition to take the next step in your career. As well as possessing strong technical expertise and an impressive track record, you should be a commercially aware and adaptable team player who is quality and client service driven. In addition, you should have considerable knowledge and experience of audit and business advisory work, including exposure to the SME sector, in order to appreciate better the commercial issues affecting owner managed businesses.

This is an excellent opportunity for an ambitious individual to contribute proactively to the continued development of the firm in Scotland. The rewards package will reflect the strategic importance of the role and the highly progressive nature of the practice.
