

## Client Service Management

---

### *Institutional Clients*

Edinburgh Partners Limited is a growing independent asset manager. Since its launch in 2003, Edinburgh Partners has delivered a strong track record in Global, UK and European investment returns. Today funds under management include substantial institutional assets and separate accounts from across the UK, Europe, North America and Asia.

In line with impressive investment performance, Edinburgh Partners aims to provide the highest level of client service in the industry, and to achieve this important goal, now looks to appoint an individual to lead and grow the firm's existing client orientated resources.

Reporting to a senior executive within the organization candidates will have relevant financial sector experience

in overseeing the production, review and distribution of client reporting and be comfortable attending client and consultant meetings. The role will interact closely with colleagues in investment management, operations, compliance, sales and performance. It requires the successful candidate to be a self starter, ambitious and results driven. In addition, excellent organisational skills, a willingness to "roll up sleeves" and to be meticulous in ensuring deadlines are essential.

This appointment offers an exciting opportunity to join a highly successful venture to influence and lead institutional asset management service at this important stage of the company's development. The importance of the role is reflected in the substantial financial package on offer.
