

Finance Director

Cheshire

Acquisitive by nature, with a global reach and reputation in its field, our client is a leading independent manufacturer of added-value, speciality products for a wide variety of end-user applications. Its track record of product innovation, covering both traditional and emerging markets, combined with a strong commitment to investment, continuous improvement and customer service have been hallmarks of its success within a highly competitive market. Key to its long term growth and development strategies is the appointment of a high calibre Finance Director to provide leadership and direction to the finance, human resources and IT functions across the business.

Working closely with the Managing Director, as part of a compact, focused and ambitious management team, you will contribute strategically, commercially and operationally towards the achievement of business objectives. As well as ensuring the timely and accurate production of financial and management information for profit
