Guildford

DENNIS

£65K + car + benefits

World renowned as a fire engine and specialist chassis manufacturer, Dennis is a £130m turnover market leader which is widely acclaimed for its design and engineering quality. Acquired in 1998 by The Mayflower Corporation, a highly successful UK quoted automotive group, the company is now poised to take advantage of its technical and product expertise in a niche market. Focusing on the growth of the bus sector in particular and with investment in new technology from the automotive industry, Dennis is well placed to exploit development and joint venture opportunities on a global basis.

Integral to the company's growth and development strategy, is the appointment of a high calibre Finance Director. With responsibility for finance, company secretarial and human resource issues, you will be a key member of a focused, motivated and enthusiastic management team, contributing strategically,

commercially and operationally towards the achievement of business objectives.

As well as ensuring the timely and accurate production of management information, you will address key business drivers and indicators such as financial performance, business systems, contract costs, margins and cashflow, ensuring that the necessary controls and procedures are in place to achieve best practice and optimum value for shareholders.

Proactive, self-motivated and commercially aware, you will be a qualified accountant with a proven track record of achievement within a relevant, fast moving, customer and results-focused environment. A strong team-player and leader with first class interpersonal abilities, you will possess well developed analytical, organisational and influencing skills together with the drive and stature to succeed in a demanding, international manufacturing environment.
